

CLASS OF 2010 Senior Yearbook Mug Photos

The Yearbook Staff will be taking photos of all seniors starting in mid-October. We hope to:

- Photograph ALL seniors with a unique background from the sophomore and junior classes
- Provide consistency in the senior section – avoid a checkerboard effect with different backgrounds
- Provide senior yearbook photos at no cost to the seniors

THIS IS THE EASIEST AND PREFERRED WAY TO HAVE YOUR SENIOR YEARBOOK PHOTO TAKEN

Other photography studios: Although the ERHS Yearbook staff will take senior mug photos for consistency and uniformity, you are not restricted from using other photography studios. **If you choose to use a photographer other than our photos, the following requirements must be met:**

- Photo must be submitted in **digital format** (jpg or tif) **by Wednesday, October 28**. Photo must be wallet sized (minimum) and a minimum of 300 dpi resolution. A paper version of your photo will result in less quality when the yearbook staff scans the photo.
- Background should be a dark grey, similar to Dennymfg.com Background #OM9500 – most photo studios have our specifications now. See the sample above.
- Typical senior headshot only - shoulders and head. No full body shots.
- The yearbook class will use this file to resize the image.

THIS PHOTO IS FOR THE YEARBOOK ONLY – NOT YOUR OWN SENIOR PORTRAITS
